ABOUT US

Hikmat Almarifah Consulting Sdn Bhd is a training provider that brings extensive training and consulting services to corporate professionals and government sectors. We provide in house training, consultancy services and public programmes in the areas of Leadership, Teambuilding and Islamic Management Training.

We believe that continuous training, retraining, skills upgrading and development of the workforce are important processes to provide employers with a competitive edge in the ever competitive market and knowledge-based economy.

Our expertise in marketing helps us understand our client's business needs. We are dedicated to achieve client satisfaction by understanding and responding to our client training requirements and needs. We are therefore, committed to continuously strive to provide world-class consulting and first-class training to our valued clients worldwide.

At Almarifah, we strive together with organizations to bring out the best in its human capital as we understand that employees are the key to every organization's future success.
